PROFILE SUMMARY

Segun Banji is a seasoned Data Analyst and Business Intelligence Expert with 7+ years of experience helping SMEs and organisations leverage analytics to boost efficiency and profitability. Currently serving as Digital Consultant at McMoren Logistics and Data Analytics Lecturer at Midramo Institute, he combines deep technical expertise with a passion for clear data storytelling and practical education.

WORK EXPERIENCE

- **Digital Consultant** 2021 - Present
McMoren Logistics
Designed and maintained Power BI dashboards to monitor truck movement, driver efficiency, and turnaround time. Reduced delivery exception reporting time by 40% through automated data pipelines.
- **Data Analytics Lecturer** 2020 - Present
Midramo Institute
Designed and delivered a comprehensive Data Analytics curriculum with real-world business case studies. Over 200 students trained across cohorts spanning Excel, SQL, Power BI, and Python.
- **Data Analyst** 2019 - 2020
Kid Tech Initiative
Introduced young learners to data visualization concepts and Python coding fundamentals. Developed age-appropriate projects to foster computational thinking.

EDUCATION

- **B.Sc. Computer Science** 2017
University (Nigeria)

CERTIFICATIONS

- Microsoft Certified: Power BI Data Analyst Associate
- Google Data Analytics Professional Certificate
- SQL for Data Science - Coursera
- Python for Everybody - University of Michigan / Coursera
